Subject: Cancellation of courses scheduled in February and March 2019 as per ACTP

Sir/Madam,

I am directed to state that due to Induction Training programme for newly recruited DRAAOs being conducted at this Institute, the competent authority has approved the cancellation of all courses scheduled as per ACTP 2018-19 in February and March 2019 except GST and special course on MS Excel (Advance) scheduled in March 2019 which will be conducted as scheduled.

It is also intimated that hostel facilities will not be available for those two courses and officials have to arrange their own accommodation and conveyance for attending the two courses.

It is requested that the nominated participants may be informed accordingly.

This issues with the approval of Pr. Director.

Yours faithfully,

Sr. Audit Officer/CF
